I hereby agree to participate in Citizens Electric Corporation's ("Citizens") SharedSolar Advantage Program offered to members of Citizens and agree to the following:

1. I agree to enroll in _____ Member Solar Blocks ("Blocks") from Citizens offered through its SharedSolar Advantage Program.
2. I agree to pay Citizens \$999.00 (+applicable taxes) per Block for a five-year (60 month) term. I may elect to prepay for an additional five years (60 months) after the initial term under the terms and conditions set forth in Citizens' SharedSolar Program policy (the "Policy").
3. I understand that as a participant in Citizens' SharedSolar Advantage Program, I am entitled to a monthly kilowatt-hour credit for the solar energy attributable to the number of Member Solar Block(s) indicated above for the term of this Agreement.
4. I understand that the enrollment of my Block(s) also represents a carbon-free, sustainable offset of electricity that I purchase from Citizens. All Solar Renewable Energy Credits associated with my enrollment will be retired on my behalf.
5. I understand that Citizens does not guarantee any specific amount of electric energy to be generated from the solar projects or be attributable to the Member Solar Block(s) purchased hereunder.
6. I understand that I may withdraw from the program prior to the completion of the 5-year (60 month) term under the terms and conditions set forth in the Policy.
7. I understand that the Policy is available upon request at Citizens' office at 1500 Rand Avenue in Perryville, Missouri, or by written request to P.O. Box 368, Perryville, MO 63775.
8. I understand that participation in the SharedSolar Advantage Program is intended to provide environmental and energy benefits. It is not intended to be an investment vehicle and is not being offered as a security listed on any national securities exchange, private or public market.
9. This Agreement and Citizens' SharedSolar Program policy constitute the entire agreement between the parties.
